## EHPS Membership

Beginning this year, we are changing the membership renewal to March instead of having renewals each month. If you paid after August 1st, 2016, you will get some extra months free. Your membership covers our base costs for posters, letters, and upkeep.

## New EHPS Office

EHPS has been working closely with City Manager, Eric Keck and the City of Englewood to have an office and storage space in the City Center. The plan is to have an office where the BOD can meet, provide a contact point for interested people, and continue the archiving of artifacts and documents. It should be ready shortly. We appreciate Mr. Keck and the City's support in helping our organization further our mission!

## EHPS Board of Directors Positions

February begins the election season for us. We have openings on the Board of Directors. We need your input. Please send a note nominating yourself or another for a position on the board.

### CONSIDER NEW WAYS YOU CAN HELP US ACHIEVE OUR MISSION!

We need your help! Here are some ways you can help; the people currently doing these jobs will help you get started.

- *Would you like to work on the membership committee?*
- *Would you like to work on the newsletter? Will you write a story? We want to tell stories on Englewood businesses and families to preserve them. Would you like to be the main newsletter writer/reporter?*
- *Would you like to work on the monthly programs, finding speakers or helping the day of the program? Setting up the AV equipment? Arranging the chairs? Being a greeter?*
- *Would you consider volunteering at the desk of our new office for a few hours a week?*
- *Would you like to help with record keeping? Would you like to help with the cataloging of the history room? It will be done in our new office when it is ready.*
- *Would you like to help with the Veteran's Tribute at the High School in May?*
- *Would you be the coordinator of field trips?*
